GET INVOLVED

The CPCIA is always looking for new volunteers, please email if this is something you would be interested in doing.

info@cpcia.ca

The Canadian Prairie Chapter of the Irrigation Association is the voice of the Irrigation Industry for Alberta, Saskatchewan and Manitoba. Together with our members and the Irrigation Association, we are committed to promoting efficient irrigation and to long-term sustainability of water resources for future generations.

High Density Polyethylene* (N/A CEUs) | Wednesday, April 19 | 8:00 AM—5:00 PM

High Density Polyethylene (HDPE) welding session. This class will cover topics related to butt fusion welding of 2" thru 8" IPS/DIPS HDPE pipe and electrofusion. Course content will cover the theory and practical knowledge needed for HDPE fusion in the real world, directly related to the irrigation industry. Training will cover the use of #14, #28 fusion equipment and electrofusion processors along with jobsite setup.

Circle the appropriate pricing.
