

Calgary

Naheed K. Nenshi, Mayor

PROCLAMATION

Smart Irrigation Month is an initiative to increase awareness of the value of efficient water-use and water-saving products, practices and services. There are various ways that businesses and consumers may actively participate in smart irrigation practices.

Whereas: Water efficient irrigation technology is being provided by several Calgary manufacturers and suppliers;

Whereas: Using water wisely reduces costs and infrastructure needs and protects our community's water supply for generations to come;

Whereas: Calgarians are encouraged to adopt smart irrigation practices to support using our water resource at the highest level of efficiency.

On behalf of City Council and the citizens of Calgary, I hereby proclaim the month of July 2019 as:

“SMART IRRIGATION MONTH”

NAHEED K. NENSHI
MAYOR
