

PROCLAMATION

WHEREAS, Smart Irrigation Month seeks to create awareness of practices, technology and services that help save water;

AND WHEREAS, less than one per cent of the Earth's water reserves can be used by humans for various activities, such as watering grass;

AND WHEREAS, increasing awareness of water consumption practices can promote efficient water use, nurture green spaces and protect the community's water supply;

AND WHEREAS, Edmontonians are encouraged to learn more about water consumption and how their actions impact our ecosystem, so they are better equipped to better support our environment;
